50 CENTS PER MONTH

IMMIGRATION BILL UP IN HOUSE

California Congressmen Ready With Asiatic Exclusion Amendments

LITERACY TEST BILL WILL PASS 2 TO 1, SAYS AUTHOR

President Mum on Bill—Sec'y Wilson Says Exclude White Slavers and Laborers

WASHINGTON, Feb. 2.—Other business was sidetracked today for the consideration of the Burnett-Dillingham immigration bill. Burnett predicted it will pass with the literacy test included, by a two to one vote. California representatives again threatened to inject the "yellow peril" into the debate, and Representatives Hayes and Curry were ready with amendments excluding Asiatic laborers.

President Wilson said today that he believes "assisted immigration" should be forbidden, but he refused to go further into the discussion of that problem. He told his callers that he has not considered the literacy test in the pending legislation and will not do so until he discusses the matter with the party leaders. The White House was deluged today with petitions opposing the literacy test.

President Wilson said that he is surprised at the apparent lack of interest in the anti-trust hearings, but thinks it indicates that business is satisfied with the trust program he recently outlined. He said the state department is negotiating with eleven nations on Secretary of State Bryan's arbitration proposals. He hopes treaties will result.

SECRETARY WILSON WOULD EXCLUDE "WHITE SLAVERS"
Drastic recommendations regarding "white slavers" were sent to the house by Secretary of Labor Wilson. He proposed the entire exclusion of procurers of immoral women. Wilson said he is not opposed to the literacy test and urged exclusion of skilled alike with unskilled contract laborers. He wanted his department authorized to deport persons accused of crimes involving moral turpitude, even if not convicted. He then asked permission to exclude all aliens committing crimes here and said that immigration last year increased the country's population by 1,117,000 against 646,740 the preceding year.

TWO CONVICTED OF MURDER IN WHEATLANDS HOP RIOTS

MARYSVILLE, Cal., Feb. 2.—The general opinion today is that twenty-year prison terms will be given Herman Suir and Richard Ford, convicted of second-degree murder in the Wheatland hop riot trials. The men's attorneys are preparing an appeal on the ground that the verdict disregarded the evidence.

Harry Bagan and William Beck, acquitted on the same charge, have disappeared from Marysville. Their friends claim they received warning that they were not wanted here any longer.

CASH LOW IN THE STATE TREASURY

All But \$200,000 Loaned Out and Bringing State Revenue from Interest

SACRAMENTO, Feb. 2.—The actual cash in the state treasury vaults Friday reached the low water mark of \$220,000, the lowest point in many years. At times there has been as much as \$5,000,000 and \$6,000,000 in the vaults.

But this does not mean the state is poor. There is \$9,909,610 of state money loaned out to banks at interest which state Treasurer Roberts can call in at his pleasure. This is earning for the state an interest rate better than 2 1/2 per cent, bringing in the tidy little sum to the state of \$212,000 yearly. Altogether Roberts has in available cash, \$10,624,929.60. Some of the banks are now offering 2 1/2 per cent to retain the state money.

Shelby M. Cullom, Friend of Lincoln, Laid to Rest

SPRINGFIELD, Ill., Feb. 2.—The body of Shelby M. Cullom, former United States senator, was lowered into his grave in the family plot in Oak Ridge cemetery at sundown last night. It rests between the graves of his two wives, Hannah and Julia Fisher, who were sisters, and in the same plot of ground are the resting places of their five children.

Funeral services were held in the hall of representatives in the state house, where the memorial sermon was preached by the Rev. Duncan C. MacLeod, and eulogies were delivered by Gov. Dunne, Lawrence Y. Sherman and Clinton L. Conkling. From the same rostrum from which Cullom five times addressed legislatures which had elected him to the upper house at Washington.

With Gov. Dunne among the speakers, and former Govs. Pifer, Yates and Deneen present, the audience included all the governors now living who followed Cullom into the gubernatorial chair.

The predominant strain of the eulogies was the unassuming honesty and steadiness of the subject. The coffin, in a great mass of flowers, rested under the rostrum and between famous paintings of Lincoln and Douglas, which hang on either side of the hall.

The 2200 seats were quickly filled as soon as the doors were opened, and hundreds were turned away. Of Senator Cullom's own blood there were present only two nieces, Mrs. G. H. Schimpff and Mrs. George Davis and their children of Peoria. An aged sister, Mrs. Linna Lepper, survives, but is an invalid. All the others had preceded him to the grave.

Part of the road to the cemetery followed by the funeral procession yesterday is that over which the body of Abraham Lincoln, Cullom's early friend and preceptor, was borne nearly a half century ago.

CAP WELLS AND EMPTYING THE PONDS

Duck Clubs Shut Down Artesian Flow Until Early Next Fall

SHOOTING RECENTLY IS REPORTED POOR

Los Angeles Man Has Gotten Limit on 112 Consecutive Hunts

Saturday evening and yesterday the gates were lifted on most of the duck preserves, and the water was allowed to flow into the ocean. Game Warden W. K. Robinson, who spent Saturday in the ducklands, stated today that so far as he could learn all the artesian wells that are used to fill the ponds have been capped and will be kept capped until next fall, when the caps will be removed for the filling of the ponds.

"The shooting season closed Saturday," said Robinson. "A good many of the clubs immediately began draining their ponds so that the land can be used for pasture, and with the additional reasons that the tule growth will be lessened and that alkali will be washed out of the land."

After the big storm, shooting was poor. Many of the club hunters went home Saturday with only two or three ducks. Some had none. So far as Robinson learned, only one club hunter got the limit. He was Attorney George Adams of Los Angeles, a member of the Blue Wing club. Adams is an extra good shoot. Saturday for the hundred and twelfth consecutive time he got a full bag limit.

Robinson's monthly report was filed with the county clerk today. It states that there was some early shooting on the sloughs near Sunset Beach.

Robinson has given legal notice to some of the water companies to screen their intakes to prevent trout from being taken into the ditches. Those companies not already given notice will receive them within a few days.

PINDELL DECLINES POST IN RUSSIA

Says Senate Squabble Embarrasses Him to Such Extent He Cannot Well Serve

WASHINGTON, Feb. 2.—Henry F. Pindell of Illinois has declined the ambassadorship to Russia, although a bitter fight over his appointment ended recently by a senatorial confirmation. In a letter to the President he said the senatorial squabbling had so embarrassed him that he doubted if he would be able to serve efficiently.

It is understood that President Wilson intends to give Pindell an important diplomatic post elsewhere, and that Charles H. Crane, the Chicago millionaire, is scheduled for St. Petersburg.

ILLINOIS PLANS FOR CENTENNIAL FIESTA IN 1918

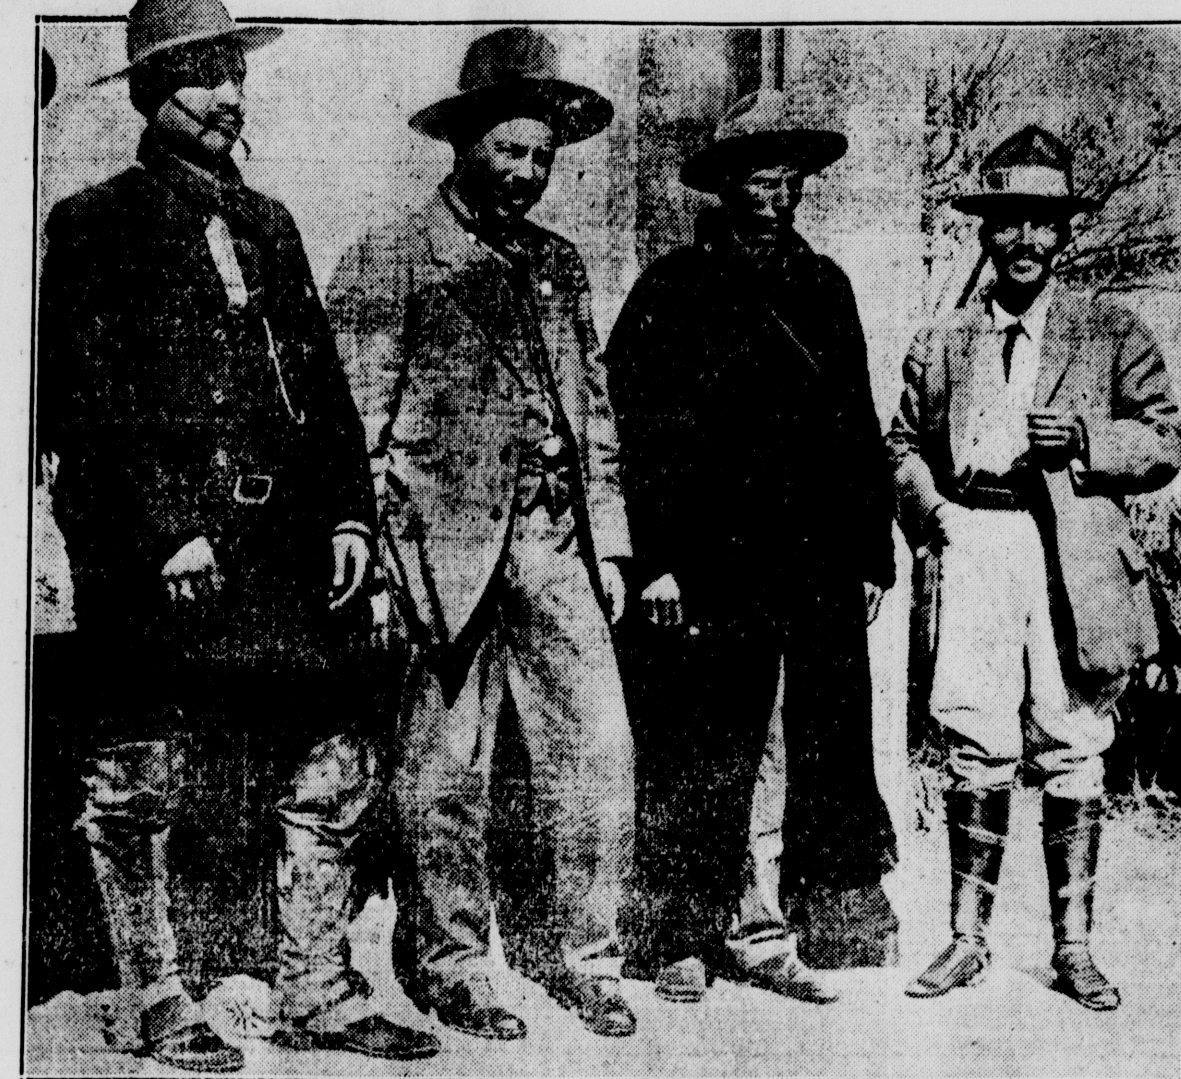

SPRINGFIELD, Ill., Feb. 2.—State Senator Kent E. Keller has begun a tour of the state to arouse interest in the celebration of the State Centennial in 1918 and to arrange demonstrations in every section of the commonwealth in honor of that event. School teachers, newspaper men, ministers, members of historical societies, women's clubs and public-spirited citizens of all classes will be especially appealed to to become members of the organization in charge of the celebration. The centennial commission plans to erect a \$1,000,000 memorial building at Springfield.

NOW UNIVERSAL ARE TRANSFERS IN THE WINDY CITY

CHICAGO, Feb. 2.—Universal transfers and a five-cent fare to any part of Chicago will be the glad news of Chicagoans after today. After a twelve-hour continuous session on November 13, last, the city council passed an ordinance authorizing all street car companies to operate as a single corporation beginning tomorrow. The elevated railroads, two weeks before the council passed the ordinance, inaugurated five-cent fares to all parts of the city and transfer privileges. The companies bitterly fought the ordinance.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 253.

Ex-Bandit Pancho Villa, With Three of His Generals

From Left to Right—Generals Fiero, Villa, Ortega and Medina

Pancho Villa and the men who remained with him now seem to be the strongest force in Mexico outside of President Huerta himself. The ex-bandit, who some weeks ago was merely one of the generals of the forces led by Provisional President Carranza, has by

his numerous victories at Juarez, Chihuahua and Ojinaga, risen to overshadow his chief. For weeks Mexicans fighting Huerta have been anxious for the time when Villa and Carranza would get together for a concerted attack on Huerta, but so far there has been no move of this kind. There are now grave doubts if Villa will

recognize the authority of Carranza. Men familiar with the Mexican situation insist that Villa will now go it alone. If he does not feel strong enough to march on Mexico City, they believe, he will hold what he has in Chihuahua and adjacent territory, and thus virtually set up a government of his own.

BALDWIN FIRST ENTRANT IN WORLD-GIRDLING AIR RACE

SAN FRANCISCO, Feb. 2.—Captain Thomas Baldwin, the famous aviator, is the first entry in the Panama-Pacific fair's around-the-world aerial race. Hundreds of telegrams have already been received asking for information. Baldwin declared the flight to be a practicable one. He said that he had used a machine capable of carrying two or three mechanicals and that he would fly five hours daily if necessary to conclude the 28,900-mile flight in the stipulated ninety days. He predicted a large entry list, representative of the world's aviators.

The announcement of the aerial race was made here yesterday. Prizes amounting to \$300,000 will be given, and the race will be under the auspices of the Pacific Aero Club. The big prize money, together with the offer of Lord Northcliffe of \$50,000 to the first aviator to fly across the Atlantic ocean, is expected to stimulate aviators from all parts of the world to get ready for the race.

which is scheduled to start next May from the grounds of the exposition. There will be a prize of at least \$100,000 for the aviator who drives his machine around the world within ninety days or better and does it more quickly than any other contestant in the race.

ST. LOUIS, Feb. 2.—Albert Lambert, the aviation expert, declared today that the proposed aerial race for the San Francisco exposition, girdling the globe, is impractical. He said no airplane can stand the strain, that engines are built only for flights of six hundred to two thousand miles, and that none could stand a round the world trip. He further stated that the distance is so great that by flying four hours daily which is the maximum average, it would require more than sixty days even if the aviators averaged one hundred miles an hour. Lambert said the general conditions imposed were impossible. He suggested a race from New York to San Francisco as a substitute, saying there would be at least fifty entries.

WILL PROBE CRASH OF TWO STEAMSHIPS

NORFOLK, Va., Feb. 2.—A federal inquiry will begin tomorrow as to the responsibility for the collision of the steamships Monroe and Nantucket last week when nearly fifty lives were lost. The captain of each vessel accuses the other of running at dangerous speed.

A wrecking company has sent divers in search of the Monroe's hull. Fifteen feet of the mast shows above the water.

ROYALTY HOSTS TO BIRDMAN—TWO OTHERS PLUNGE TO DEATH

LONDON, Feb. 2.—Aviator Gustav Hamel was the guest of King George and Queen Mary at Windsor Castle today. At the royal command, he flew from Brooklands over the castle, flying head-downward and looping the loop repeatedly.

REDUCTIONS IN EXPRESS RATES ARE MADE EFFECTIVE

WASHINGTON, Feb. 2.—Sweeping express rate reductions ordered into effect by the Interstate Commerce Commission through a blanket decree, but twice postponed, became effective Saturday. The original order was made effective October 15 last. The express companies filed new tariffs January 10. In many instances the new rates are one-half what the old rates were. Even with this reduction many are higher than parcel post rates.

REGIONAL BANK LOCATION IS REAL BONE

Pacific Coast Cities Fight Over San Francisco's Demand to Be Coast Center

SAN FRANCISCO, Feb. 2.—Secretary of the Treasury McAdoo and Secretary of Agriculture Houston opened hearings today in the post-office building regarding San Francisco's claim for a regional bank under the new currency law.

Seattle representatives are here to protest against San Francisco's demand to make the Pacific coast one district with the regional bank located here. Portland and Spokane representatives will also attend the hearings, according to report.

The two secretaries maintained silence today, refusing to comment on the report that they had already decided upon San Francisco for the Pacific coast bank. They were uncertain whether they would start for Los Angeles tonight or tomorrow.

Manager Lynch of the Chamber of Commerce presented the city's claims, outlining San Francisco's commercial and financial supremacy of the Pacific coast. He presented statistics on the shipping, manufacturing and banking interests.

ARTIST BOEHM SUICIDES AT BRIARCLIFF HOME

NEW YORK, Feb. 2.—Henry Richard Boehm, a painter and illustrator, whose work is widely known, ended his life yesterday in his home at Briarcliff.

Discussing with his wife and a veterinary surgeon the best means of disposing of several pet cats, Mr. Boehm excused himself in a most natural way, went upstairs and shot himself through the heart.

SHIPPING TRUST PROBE LIKELY TO BEGIN VERY SOON

WASHINGTON, Feb. 2.—House leaders in charge of the proposed "shipping trust" probe have about completed their plans for an investigation, which is of deep concern to members of the big Atlantic, Pacific and South American steamship "pools." The matter was discussed in December but shelved until February. Those instigating the probe are anxious to have the hearings start either today or later this week. Chairman Alexander of the house committee on Merchant Marine, probably will be in charge of the probe.

—When better bread than our Round Loaf is made, Dragon will make it.

MEXICO CITY TRYSTING PLACE

Gen. Carranza Calls Meeting of Rebel Cabinet in Capital for February 19

15,000 REBELS NEAR GATE TO CAPITAL OF MEXICO

Approach Torreon—Huerta is Ill—Plotters Exiled—Carden Called Home

MEXICO CITY, Feb. 2.—That Gen. Carranza, the rebel leader, issued a proclamation on Jan. 19 calling a rebel cabinet meeting in Mexico City for Feb. 19, became known here today. There is every indication that the call was sincere, for 15,000 rebels are reported today as approaching Torreon, which, if captured, is the last point between the rebels and the capital except Zacatecas. It is understood they will attack Zacatecas immediately if Torreon falls.

Gen. Huerta is reported as ill today. It is said he is breaking under the strain of his position.

Jose Reguena and Pedro Del Villar, reputed leaders in the recently discovered plot against Huerta, have been released from prison under promise to leave the country.

Sir Lionel Carden, the British minister to Mexico, has gone to London in response to a summons from the foreign office. It is understood he has not been recalled and will return here.

RIVERSIDE TO CARRY EMPLOYEES' INSURANCE

RIVERSIDE, Feb. 2.—Following a lengthy meeting of the city council and the board of public utilities, Mayor Oscar Ford presiding, and after consultation with City Attorney Irving, it was decided that Riverside shall carry her own insurance of city employees, under the provisions of the Boynton act, if such policy be legal.

Ex-Mayor Peters presented facts and figures showing that the accidents occurring to employees in the electric light department, the only public utility until the recent purchase of the domestic water system, were quite rare and that it would have been much cheaper for the city to pay all compensation arising from such than to carry insurance.

SQUIER HAS BOUGHT MONROVIA ORCHARD

MONROVIA, Feb. 2.—Charles L. Squier of Santa Ana has shown his confidence in local citrus land by purchasing the twelve-acre orange ranch formerly belonging to Walter Whitaker in the lower Duarte district. Squier made his purchase Saturday, through the real estate office of H. B. Gilchrist, and selected the Monrovia orchard after carefully examining practically all the fruit land between Monrovia and Pomona. He is a practical orange grower, and is familiar with all angles of the business.

MADE SUBSTANTIAL SAVING IN THE COST OF SCHOOL BOOKS

State Printer Friend W. Richardson reports to the State Board of Education that the saving on text book editions completed during the month of December over the cost of the former administration was \$17,705. Cuts were made in the following books: Advanced arithmetic from 32 cents to 12.2 cents; second reader from 18.7 cents to 9.2 cents; speller one from 16.5 cents to 9.9 cents; brief history from 52 cents to 22.3 cents, and writing books from 5 cents to 2.8 cents. Of the big reduction made in the manufacturing cost Richardson says ten per cent is due to honest and economical buying and ninety per cent to efficiency on the part of the employees.

IN CALIFORNIA, HE IS NAMED RAILROAD HEAD

REDONDO BEACH, Feb. 2.—A. B. Newell, son-in-law of Mrs. M. Seymour, owner of Hotel Clifton, was informed yesterday of his election to the presidency of the Toledo Terminal railroad. Mr. Newell has been spending the winter in Clifton-by-the-Sea and directly following the announcement of his good fortune he departed for the east to assume his new duties.

CROOKSHANK-BEATTY COMPANY

BASEBALL PARK FOR COLORADO CONVICTS

Progressive Warden Plans for Out-Door Sports for His Convict Wards

CANON CITY, Colo., Feb. 2.—Having proved that penitentiary convicts can be put upon their honor and sent outside the prison walls without guards to do road construction work, Thomas Tynan, progressive warden of the Colorado penitentiary, proposes to go a step farther and build an amusement park for the prisoners. This plan is proposed to furnish more adequate outdoor amusement for convicts who are not in the "trust" class and have not gained the privileges accorded prisoners who work in the road camps. In an exclusive statement today, Warden Tynan discussed the plan as follows:

By Thomas Tynan
[Written for the United Press]
While all our "trust" prisoners have plenty of outdoor exercise in the way of sports, we have never been able heretofore to take care, in the same way, of prisoners not considered trustworthy. I have decided to create an outdoor amusement park for this class of men. We are now constructing a wall about a six-acre enclosure back of the prison where such men can play baseball or indulge in other sports during their leisure hours.

Of course we have in the prison chapel the regular motion picture shows, yet there are a great many men who are employed in our cell houses, prison shops, boiler room, etc., who do not get enough exercise. It has long been my theory, and I think it has proved correct from the experience we have had with men in our road camps, that it is hard to build up a man morally or to strengthen his character, without first building him up physically. We purchased all of the buildings of the Fremont County Fair Association and are placing a grandstand in this enclosure for the use of the prisoners. There will be an opening to this enclosure, to what

is known as the south gate of the prison, which opens on to the street, and one portion of the grand stand can be used by the public to see ball games or other athletic amusements participated in by the prisoners.

The main feature will be that men, after completing their tasks for the day, will be allowed to go into the park for such exercise as will do them the most good. Each prisoner in the institution will be provided with an honor button and will be allowed to have access to the park during his leisure hours, so long as his behavior is what it should be. Should he violate any of the rules of the institution, he will be deprived of his button and will not have access to the park. We found, when we installed the motion picture apparatus at the institution, that it helped us to keep better discipline for the reason that men who violated rules were excluded from the picture exhibitions for all the way from three to six months. I feel that with the park in operation it will not only add to the efficiency of the work of the men, but it will have a tendency to reduce violations of the prison rules.

Of course, our men in the road camps are well provided for in this way and they constitute half of our prison population, but I have felt the need of something of this kind at the institution for a long time and with the co-operation of the penitentiary commissioner we are endeavoring during this year to put this park in operation.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat Less Meat if You Feel Backache or have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Advertisement.

GOV. CLARKE OF IOWA URGES BETTER SCHOOLS

LAKE MILLS, Iowa, Feb. 2.—Constant study of the needs of pupils in the public schools of the United States is necessary if school systems, especially those of rural districts, are to keep pace with the rapid progress of present-day civilization, according to Governor Clarke, who spoke at the dedication of the new school building here today. With this constant study of needs of pupils, Governor Clarke declared better schools will come, and better schools mean better citizens.

"FEDERATION" IS HIT BY G. O. P. MEMBERS

Organization Lately Achieved at Riverside Asked by Republicans to Quit

Los Angeles Examiner: Leaders of the "Grand Old Party" in Los Angeles County gathered last night in Eagles' hall, 325 South Main street, at the weekly meeting of the Republican League, after first proposing a resolution condemning the recent organization at Riverside of the "Republican Federation of Southern California," decided, in the interest of harmony, to confine the expression of their displeasure to the passage of a resolution inviting the federation to disband, and its members to join the regular county organizations of the party.

The first resolution was proposed by Police Commissioner Vincent W. Morgan, after he, Harry Brolaski and E. P. Johnson, the latter president of the county league, had withdrawn from the executive committee of the federation, to which Brolaski and Johnson said they had been appointed without their knowledge or consent.

Morgan, the only one of the trio who had been present at the Riverside meeting, said he had been induced to go there through misrepresentation, and that as soon as he realized the nature of the gathering, he had made up his mind to have nothing further to do with it.

Paid His Own Fare
"And I paid my own fare to Riverside, and settled my own hotel bill," he added. "The meeting was a tremendous blunder. Ninety-five per cent of those attending did so under direct misrepresentation of the facts, and I offer a motion that the Republicans of Los Angeles county, as represented by their organization here, repudiate the action of the so-called Federation."

Fred W. Spring, vice president of the county league, then offered his substitute motion, which was adopted. Spring's resolution proposed that a committee from the county league, the county central committee, and the state central committee, be appointed to invite the federation to disband, and its members to come into this organization.

Following this, and the formal approval of the executive committee's arrangements for the holding of campaign headquarters in the Coulter building, to be opened early this week, the meeting closed with speeches by W. C. Mushet and G. Ray Horton urging harmony within the party ranks, enthusiastic efforts in behalf of the "good old 'frill-less' Republican party," and the election of a legislature which will spend its time in repealing the tax increasing laws passed at the last session.

Going to Santa Barbara
In response to the call of Gustave Brenner, chairman of the state central committee of the revived G. O. P., for a state-wide conference of Republicans at Santa Barbara next Saturday, February 7, the executive committee of the Los Angeles county central committee planned yesterday for a special train to leave here about 8 a.m. on that date.

H. M. Wisler, whose offices are at 15 Merchants' Trust Building, was

appointed chairman of a special transportation committee which will have charge of the train, which, it is expected, will carry between 300 and 400 delegates from all parts of Southern California. Monrovia and Redondo, it was said by Oscar L. Horn, secretary of the executive committee, had already promised large delegations.

It was decided by the executive committee, which met in the offices of Mr. Horn, in the Washington Building, that regular weekly meetings of the executive committee should be held in the private dining room of the Union League Club at 1 p. m. on Saturdays.

Robt. Sweeney, Phil A. Stanton and J. W. Dyce were appointed as members of the finance committee of the executive committee.

Judge N. Blackstock and Robert Sweeney will address a meeting of the Woman's Republican Club Monday afternoon in the red room of the Hotel Angelus.

WHAT'S INDIGESTION? WHO CARES? LISTEN!

"Pape's Diapiesin" Makes Sour, Gassy Stomachs Feel Fine at Once

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain indigestion remedy in the whole world, and besides it is harmless.

Millions of men and women now eat their favorite foods without fear—they know Pape's Diapiesin will save them from any stomach misery.

Please, for your sake, get a large fifty-cent case of Pape's Diapiesin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Pape's Diapiesin belongs in your home anyway. Should one of the family eat something which doesn't agree with them, or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night, it is handy to give the quickest, surest relief known.—Advertisement.

WORK ON TOWER OF JEWELS HAS BEEN STARTED

SAN FRANCISCO, Feb. 2.—Work started here today on the Tower of Jewels, the 430-foot structure, which will stand near the main entrance to the Panama-Pacific Exposition. It is estimated that 250 days will be required for its completion. The total cost of the structure will be \$400,000. The ground area of the tower will be 22,500 feet. The tower will stand in the main group of palaces on the approach to the "Court of the Sun and Stars." It will be approximately square on the ground level, rising in several receding stories and built with narrowing areas of colonnades and sculpture to the summit. Several sculptured figures of heroic proportions will surmount the top story, which will be circular. The tower with the facades of the different stories hung with pendant jewels, glinting with iridescence from hidden searchlights, will be one of the most beautiful and decorative features of the exposition.

Watch for opening of the pocket billiard room, 316 E. Fourth. C. E. Holmes, proprietor.

PROHIBITION IS BIG SUCCESS IN KANSAS

Former Judge of That State Says Prohibition Has Aided Morals and Business

Facts showing the prosperity of Kansas as a result of the enactment of prohibition laws were set forth recently in a vigorous manner at the First Methodist church in Los Angeles by former Judge Manford Schoonover of Ottawa, Kansas.

"Prohibition is no longer a matter for debate in Kansas," said Judge Schoonover. "The success of prohibition is recognized. No man in Kansas can be a candidate for public office unless he stands for a dry state."

Laws Now Enforced
"The prohibition laws are now enforced in Kansas. There was a time when public sentiment was not unanimous in favor of the abolition of the saloon and sometimes there were 'hung juries' in liquor cases, but that time has passed. It is just as easy now to convict a man for illegal liquor selling as for stealing a horse."

"In Kansas City, the largest city in Kansas, the movement for the closing of saloons met with opposition in certain quarters, the argument being made that such action would mean loss of trade. On the contrary it has been shown that trade is better in Kansas City, Kas., now than it was when saloons were running."

Prohibition Beneficial
"From a moral viewpoint, it is true beyond question that prohibition has had a beneficial effect on Kansas. Crime has been reduced tremendously. Poverty has decreased. There are twenty-four counties in Kansas in which there are no poorhouses and eight counties where there are no inmates for the poorhouses."

"From a business viewpoint, prohibition has been beneficial to Kansas. Despite the fact that there was a disastrous drought in Kansas in 1913, there was more money on deposit in the banks of that state at the close of the last year per capita than there was in any other state in the Union."—Los Angeles Tribune.

SANTA ANA FOLKS ASTONISH DRUGGIST

"We sell many good medicines but we are told the mixture of buckthorn bark, glycerine, etc., known as Adler-Ika, is the best we ever sold. Santa Ana folks astonish us daily by telling how QUICKLY Adler-Ika relieves sour stomach, gas on the stomach and constipation. Many report that a SINGLE DOSE relieves these troubles almost IMMEDIATELY. We are glad we are Santa Ana Agents for Adler-Ika. The Rowley Drug Co.—Advertisement.

BIGGEST CROP PER ACRE IS EXPECTATION

Anaheim Sugar Company President Says Rains Insure a Heavy Yield

Acreage May Be Less on Account of Difficulties Over Tariff

Los Angeles Examiner: In such excellent condition have the recent rains rendered the soil that A. R. Peck, president of the Anaheim Sugar Company, basing his opinion on the reports that his concern has received from the large growers in Southern California, predicts that 1914 will record the largest beet sugar crop per acre the state has ever known.

Mr. Peck stated that because of the recent revision of the tariff on sugar it is not expected that as large an acreage will be planted this year as was last, but despite that, he is confident that the total output of beet sugar will equal, if not exceed, that of 1913. The reduction of acreage, stated Mr. Peck, was caused by the forced action of the mills in cutting the price on raw beets 75 cents per ton.

There are nine large beet sugar mills in California, of which seven are located in the southern part of the state. Mr. Peck stated that he had received a report that the two in the north, the Sacramento Valley Sugar Company, and the Alameda Sugar Company, had decided not to run their mills this year because of the sugar reduction.

The seven in Southern California, however, said Mr. Peck, will run to their full capacity. These seven are the Los Alamitos, Oxnard, Chino, Anaheim, Santa Ana Co-Operative, Southern California and the Holy Sugar Companies.

Mr. Peck stated that the reports of the mills for the year 1913 showed that an average of ten to eleven tons of beets were raised on each acre planted. The crop this year per acre, he said, would exceed that by fully 15 per cent.

The sugar companies of the southern part of the state, said Mr. Peck, are already beginning preparations to handle the large crop. The American Beet Sugar Company's mill at Oxnard, he said, which for some years past, statistics show, has produced more

112 West Fourth St.

beet sugar than any other mill in the world, is preparing to run full blast. The Spreckles mill at Spreckles, which has the largest capacity of any mill in the world, Mr. Peck also said, was making preparations to handle its crop.

Growers all over the southern part of the state, said Mr. Peck, had reported excellent soil conditions. The recent rains, he said, had been as gold to them. The soil has been loosened and enriched to such an extent, he said, though the price per ton has been cut, the growers are confident of a prosperous year.

Raymond Adkinson, nominee of the Student party, was elected president of the Santa Ana High School student body at the mid-year elections Friday, over his rival, Loftus Morrison, of the Independent party.

Both candidates were announced several weeks ago and were left in the field for the final election after the elimination primaries held last week. Adkinson is known to the track fans of the city as the best distance man that ever attended high school here, besides being a member of the school's Southwestern debating team. Morrison is captain-elect of next year's football team and one of the best half-backs in the state. Each has been president of his class the past semester. Adkinson will be compelled to resign his position of captain-elect for the rest of the year, as no one person can hold two student body offices. Adkinson's majority was fifty-nine votes.

Isabel Anderson defeated Estelle Nisson for the vice-presidency. Miss Anderson has been manager of the girls' basketball team during the past year and a similar resignation is required by the constitution in her case, although the girls' season is almost finished.

Antia McDonald was re-elected secretary, running on both tickets. The race between Ralph Jayne and Charles McClain for treasurer was the closest of the election. Jayne was elected by a majority of fourteen votes. Clare Burkett and Ralph Cole were chosen yell leaders with eleven scattering votes. The Independent party named no candidates for these offices.

The election was conducted according to the laws of the state of California and the reports submitted by the judges were in legal form. This has become a part of the regular education of the high schools.

The semi-annual magazine, the Ariel, was issued Friday. The book is bound in black with the Ariel seal done in silver. Editor-in-Chief John Menges, with the aid of the staff, has put out a splendid paper, and Frank West has handled the business end in a most capable manner.

The teams for the two remaining debates have been chosen and are hard at work. The last Orange county debate that is due on February 20, will show four debaters selected from those who came out six highest in the tryouts, Estelle Nisson, Louise Grubb, Donald Stevenson, Vior Robinson, Charles McClain and Stanley Mansur.

The final Southwestern team will be chosen in the same manner from Beverly Anderson, Keith Davis, Frank West, Ben Osterman, Welcome Ward and Bruce Wallace. Miss Kistler, the debating coach, makes the final selection.

THE CANDY SHOP TOMORROW NIGHT

ROCK, IN "THE CANDY SHOP"

AMUSEMENTS

"The Candy Shop" While a majority of local theatergoers probably know that "The Candy Shop," which comes here to the Grand Opera House, tomorrow, Tuesday, is presented by the Anderson Gaiety Company, there are comparatively few, likely, who are aware that the financial head of this enterprising concern is G. M. Anderson of the Essanay Film Company, and who is familiarly known in moving picture circles as "Broncho Billy," the cowboy "movie" actor. It is a well known fact that in every little village and hamlet throughout this country, there is scarcely a man, woman or child who at one time or another has not sat before a "movie" curtain and watched the cowboy portrayals of this same "Broncho Billy." To the average patron of moving picture entertainment he is a national figure and among the little folks a prime favorite. In San Francisco, where he resides in a suite of bachelor apartments at the St. Francis Hotel, the familiar face and figure of "Broncho Billy" is daily the cynosure of thousands of curious eyes as they either pass him by on the street or spy him in and around the new Anderson Gaiety Theater, where he now has his private office and business headquarters. The role of producing manager is rather a new and strange part for the hero of "movie" melodrama to play, but so far he has played it well and successfully. Less than a year ago, the site of the Gaiety Theater on O'Farrell street was a vacant lot on which once stood the old Alcazar Theater in the days before the disastrous earthquake and fire. Now it is adorned by one of the handsomest and best patronized playhouses in San Francisco. Rushed to completion while "The Candy Shop" was being played across the continent, it was formally opened on October 18 last with the latter attraction and its subsequent success has been uninterrupted steady. Previous to the opening of the Gaiety, such a thing as a "run" for a play beyond a couple of weeks was practically unheard of and more than generally regarded as a simple impossibility in San Francisco. "The Candy Shop" ran for eight consecutive weeks.

U. S. TO SEND TREES TO POMONA SCHOOL POMONA, Feb. 2.—P. B. Goodell, head of the agricultural department of the high school, has received a letter from the department of agriculture, Washington, D. C., saying it will send the Pomona high school a shipment of tropical fruit trees and plants. This is in response to Mr. Goodell's request for trees and plants to be tried out in the hothouses in connection with the agricultural department.

"TIZ" FOR TIRED SORE, ACHING FEET Ah! what relief. No more tired feet; no more burning feet, swollen, bad smelling, sweaty feet. No more pain in corns, callouses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ."

"TIZ" draws out all the poisonous exudations which puff up the feet; "TIZ" is magical; "TIZ" is grand; "TIZ" will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief.

SEGREGATION PROGRAM HIT A HARD BLOW

Stockholders Table Chapman's Motion to Investigate Advisability

ANAHEIM, Feb. 2.—At the annual meeting of the Anaheim Union Water Company held Saturday for the purpose of electing a board of directors for the ensuing year, H. H. Hale, H. W. Wickett, C. W. Sherwood, T. L. McFadden, J. J. Dwyer, E. E. Beasley and William Crowther were elected. The motion made by C. C. Chapman to appoint a committee of seven men to investigate the advisability of segregating the oil and water stock was defeated by 600 majority. The meeting was one of the most exciting in the history of the company and lasted from 10 a. m. until 8 p. m., over 300 being present.

STORM MADE THEIR TRIP DANGEROUS ONE

ANAHEIM, Feb. 2.—B. T. Beale and A. W. Wood returned to Anaheim late Friday evening after having made a very hazardous trip from the Imperial Valley country. Their party was hemmed in during the recent storm and considerable anxiety was occasioned by the prolonged absence. A searching party from Anaheim went out for them and at Oceanside it was ascertained that their machine had passed through that city, but further than that no trace could be found.

The military branch of the L. O. O. M. lodge No. 685, Company L of the third battalion, is doing active drill work, having recently received its equipment. Under the direction of Capt. C. A. Clark, B. T. Beale, first lieutenant, and J. Leslie Swope, second lieutenant, the company will eventually become one of the most efficient in the county.

Notice of Sale —Notice is hereby given that on Tuesday, the 10th day of February, 1914, the undersigned will sell one Ford automobile, state license No. 62335 at the sales room of the undersigned on the southwest corner of Sixth and Main streets in the city of Santa Ana, Orange county, California. Said sale will be made to enforce a lien for labor performed and materials furnished in the repair of said car amounting in all \$51.85. That said car is owned by and said services were performed for and said materials were sold to C. H. McElroy.

Morrill Bros.

Mrs. Worriment—"Just look at this dress! Isn't that awful? I was walking along the street and one of those big auto-trucks splashed me from head to foot with mud! I guess I might as well throw the dress away."

Anty Drudge—"Well, if it was me, instead of throwing away several dollars' worth of good dress I'd get a cake of Fels-Naptha Soap, wash those mudstains and have a good-as-new dress in a jiffy."

A cake of Fels-Naptha Soap will cut your washday work in half and give you time for rest and pleasure; save your strength; save coal or gas bills, and do your work better than it was ever done before.

Fels-Naptha Soap works best in cool or lukewarm water, without hard rubbing or scrubbing. It washes clothes without boiling. It does all kinds of work easily and quickly.

Just follow the directions on the Red and Green Wrappers. Better buy Fels-Naptha by the carton or box.

Fels & Co., Philadelphia.

THE BIBLE IN THE PUBLIC SCHOOLS

A few days ago the Register published a news dispatch setting forth the fact that the Bible was to be studied in the Pasadena public schools.

The same announcement, with comment, is made by the Pasadena News as follows:

"When the second semester of the Pasadena high school opens February 9, the Bible will be introduced among other subjects and will be studied not from the standpoint of religion, but as ancient history and literature. At a meeting of the high school Parent-Teacher association held in the school last evening, Dr. Daniel F. Fox of the First Congregational church presented this idea to the parents and it was unanimously approved. W. S. Grassie of the board of education was present and said, after the meeting, that steps already had been taken in this direction."

Further and highly pertinent comment is made by the Riverside Press, which says:

"A great many people think the action proposed in Pasadena is contrary to state law. The matter, however, has never been decided in court; and if anyone in Pasadena objects to reading the Bible in the high school, here will be a good chance to make a test case."

"It certainly does seem absurd that pupils can study the orations of Cicero but cannot discuss Paul's address on Mars Hill or Jesus' Sermon on the Mount. They can find inspiration in the noble sentiments of Tennyson's Idylls of the King, but are forbidden to study in school the wonderful poetry of the Psalms of David."

MAY SUPPORT JOHNSON

It is apparent from the editorial expressions of a number of independent Democratic papers in the state that they may support Johnson in the November election. The Stockton Record, which supported Wilson in 1912, is already out for the governor, and other Wilson papers are holding off to see what the outcome of the primaries will be. They prefer Johnson to most of the Democrats suggested for governor and have no hesitation in saying so.

The Hemet News is the only Democratic paper in Riverside county, and one of the most ably conducted weeklies in Southern California. Commenting on the present political situation the News says:

While the logic of the situation favors the Democrats, it is based upon the assumption that the Democratic party will nominate a candidate for governor worthy of the high position. They cannot compel the election of any old broken-down party hack, and unless Franklin K. Lane or a man of his type is named, Governor Johnson will be re-elected.

The real progressives of California, and this includes a large portion of the Republicans and Democrats, can be reasonably assured that either Governor Johnson will be re-elected or that the choice will fall upon a clean progressive Democrat, and in either event the state will be deserving of congratulation.

The Pasadena News has been the most earnest supporter of President Wilson of any paper in Southern California and Editor Clover hopes the Democrats will nominate a strong man of progressive views. He is prepared for the alternative, however, and will have no hesitation in supporting Johnson. He says:

So let not our jubilant standpat contemporaries be too much elated by the registration which now shows a good lead for the Republicans. It does not follow that they are anti-Johnsonites by any means. Our indigenous contemporary at San Diego, the Tribune, professes to find in our warning to the Democrats an inconsistency of argument. We have stated repeatedly that if the Democrats are wise and will concentrate on a candidate for governor of high standing and accomplishments, aided by the prestige of the Wilson administration, they stand an excellent chance of winning next fall; but the splendid work of Mr. Wilson will avail nothing if a candidate of mediocre ability is named. It is, of course, a voel perversion of the facts for our San Diego contemporary to intimate that our view is that any yellow dog bearing a Democratic label can win in the state, owing to the Wilson record.

Despite all that the San Diego Tribune, the Union, the San Francisco Chronicle, the Los Angeles Republican journals may say there is division in the Republican ranks and on precisely the lines laid down by Mr. Rudolph Spreckels. The Republicans may out-register the Progressives three to one and still the latter may land their ticket if a reactionary candidate remains the choice of the Republicans at the primary. Make no mistake, the registration does not indicate "a return to reason by thousands of Republicans who were temporarily lured from their legitimate allegiance by the call of false gods." The Democrats have a "good fighting chance" if they observe sanity in their nomination; not otherwise. The Republicans

have the same opportunity. As between poor material in either direction we shall vote for and support Hiram Johnson in spite of our dislike for many of his policies and shortcomings. We do not admire his personality, but even his too abundant self-esteem is preferable to the vapors of vacuous mediocrity. The Riverside Press, in comment upon these editorial utterances, says: These expressions from two representative Democratic papers are interesting indications of possible support which Governor Johnson will receive from Democratic sources. Secretary Lane has stated positively that he will not run for governor against Johnson, and the party has no other man of commanding strength in sight for the position. If a mediocre man is nominated at the primaries, the Democrats of progressive sympathies and independent views will largely support Johnson.

ANNOUNCEMENT The pleasure of your presence is desired Monday afternoon and evening, February Second, for your inspection of our Sanitary White Shop, "The Turner Toilet Parlors."

Our special electrical appliances will be demonstrated to you and our methods of treatment explained. No treatments given or goods sold Monday.

THE "BLADE" WILL SUPPORT JOHNSON

(Editorial from the Santa Ana Evening Blade.)

The Blade thus early in the campaign will declare its attitude toward the candidacy of Governor Hiram Johnson to succeed himself. We believe that Governor Johnson's record as governor of California, considered as a whole, has been such as to commend him to every voter in this state who believes in a careful and conservative administration of its affairs. He has made some mistakes, no doubt, and probably Governor Johnson himself would be the last person to claim to the contrary. But he has made an effort, and a remarkably successful one, to carry out his campaign pledges and the people of California know and realize the fact.

The railroad commission, and the good work accomplished for the people of California by means of it, is a direct result of the election of Governor Hiram Johnson. No one cognizant of the facts will claim that the work of this commission has been other than a direct benefit to the state as a whole. The board of control which has practically had in charge all expenditures of the money of the state and has been conducted with but one thing—the people's interest—in view, has been a magnificent success from its inception until the present time. It has saved millions of dollars to the people of California, and has made efficiency and not "political pull" the chief thing to be desired in the management of California's public institutions. It has saved money, huge sum of money, for the state, and at the same time, has vastly improved the management of its public affairs.

How are we, those of us who long ago fully recognized that in years past there has been too much "program," to much "team work" and "boss rule" in the management of the affairs of the state, now are we going to get away from the realization of the fact that Hiram Johnson's administration as governor has been a success? If it has been a success, and it surely has, isn't he, in all fairness, entitled to a re-election? And what are you going to do about it? Republicans of California? We address Republicans, our own people, for it lies with them to decide this matter. Are you going to vote to re-

elect him? We believe that the governor is entitled to re-election on his record, and he advises the Republicans to get in line and vote for him.

INSPIRATIONAL PICTURES SHOWN ON BILLBOARDS

Editor Register: The novel posters on the bill board at the corner of Third and Broadway have aroused my curiosity and I have been trying to learn something about their history. At last I found a clue and the following letter about them ought to be of interest to the public. The first poster of "The Nativity" was a work of art, and the poster there now about General U. S. Grant, and the question appended, "What are you doing with better opportunities?" ought to be seen by every teacher and pupil and parent in Santa Ana and used as an inspiration to boys and girls.

Yours very truly, R. J. HAMILTON. The following letter was received by Hamilton: January 27, 1914. Mr. R. J. Hamilton, Secretary Young Men's Christian Association, Santa Ana, California. Dear Sir: We beg to acknowledge receipt of your postal card of January 15, requesting some information regarding the Nativity posters which have been displayed on the boards

The Political Watchtower

Now that the storm has come and gone, now that the grand jury has likewise come and gone, now that the Panama Canal is an assured fact, let us pause for a moment to consider the political conditions surrounding the township offices in Garden Grove and Orange townships. Over at Orange Justice of the Peace Fullerton, that old editorial warhorse whose Democratic activities date back to boom days, has every reason to expect to be promoted from justice of the peace to postmaster. It so happens that Postmaster Edwards' term ends the same day that Justice Fullerton's term as justice ends. Thus the guiding hand that looks after things political at Orange has made arrangements for a convenient switching of jobs for the genial golling Judge.

But over at Orange they say that the selection of a successor for the justice of the peace is not going to be half as easy as it apparently has been for Justice Fullerton to decide to put aside the Political Code for a sack of other people's mail. A good many friends of Samuel Armor think he ought to have the job. He has been a laborer in the vineyard of the section for 10 to 15 years. He began life at Orange with a bunch of apple switches that he did not spare in the schoolroom. Some of those who were switched would like to switch their old

switcher into the township job, which pays \$50 a month and which will also mean something more as city recorder of Orange. However, the turning of the switch that will land the pioneer safely on the sidetrack next to the judicial packing house is not likely to be accomplished without a struggle, for it is rumored that J. L. Knesel wants the job, and Knesel has a bunch of friends.

With Leck's decision made, the three members of the Board of Supervisors whose terms expire next January are all back in the harness for the campaign. It is reported out on the west side that George W. Moore of Westminster is going to be a candidate against Thomas B. Talbert. That would be a turn with a feature. About six years ago Moore was supervisor, and resigned so that he could give all of his time to the Celery Growers' Association. Thomas B. was appointed by the governor to fill the vacancy. Thomas B. was not Moore's choice, but Thomas B. got there, and was re-elected four years ago. Over at Orange Fred W. Struck has a lot of friends of various parties lining up behind him for re-election. They do not know that he is going to have opposition, but they are going to be ready to go right to the bat should some good trotter appear on the course. There has been some talk over around Orange to the effect that L. E. Smith of West Orange might be a candidate. The Watchtower man would not be surprised if there is truth back of the report.

Somebody somewhere got some kind of a something to the effect that Deputy County Clerk A. L. Hitchcock was going to be a candidate against G. E. Peters for county recorder. That somebody must have eaten something for supper that caused him to dream a dream. The report was getting circulation over at Orange, where Hitchcock lives, and the Watchtower man got Hitchcock on the wireless for a brief and enlightening interchange of conversation something like this:

"Say, A, there is a report that you are going to run for county recorder. How about it?" "Nothing doing. Never heard such a report. Never had it suggested to me. Never dreamed of running. I am not going to run and don't give a hang who does or don't. Good-bye."

ABBOT KINNEY'S FIRST GRANDSON GETS \$10,000 CHECK

Yesterday morning Abbot Kinney, founder of Venice, became the grandfather of a 10-pound boy, the son of Sherwood Kinney and his wife, and a \$10,000 check was presented to the grandson. Several years ago Abbot Kinney said a check for \$10,000 would be presented by him to his first grandson, and yesterday the check was forthcoming.

The Sherwood Kinneys were married last February and one of the bride's wedding presents was \$25,000 from Abbot Kinney.

A granddaughter is worth only \$5,000 evidently, as Mr. Kinney presented that amount to his first grandchild, the little daughter of Innes Kinney, on her birth.

Doings In Social and Club Circles

EBELL SOCIETY MEETING

Clubhouse Matter Urged by Mrs. Lawton—Helen Keller Coming

Saturday afternoon was a red-letter day for the ladies of the Ebells Society. A goodly number were present and a delightful afternoon was enjoyed by all. After the regular routine of business was attended to, the president, Mrs. A. J. Lawton, urged the members to do their part in making the Helen Keller entertainment, which is to take place in a few weeks, a success. She also called attention to the fact that many of the Club House Loan Fund dues that were promised at the last meeting had not been paid.

Mrs. E. M. Nealley, general curator, spoke of the flourishing condition of the new Spanish Section and asked for a few more members to complete the class.

Mrs. Ella I. Fyfe called attention to the postponement of the meeting of the Music Section to the last Monday of the month, when it will meet at her home, instead of with Mrs. H. G. Hull.

Mrs. Lawton spoke of the matter of building the club house in the near future and wondered if this was the opportune time. She suggested that the members all be thinking about it and be prepared to discuss it fully at the next meeting.

The business disposed of, the ladies were favored by Mrs. Lillian Quinn Stark, a wonderfully gifted dramatic reader, in August Strindberg's "Lucky Pehr," translated from the Swedish by Velma Swan-ton Howard.

"Lucky Pehr" is an allegorical play in five acts, in which the author shows the hollowness and false values of all things which man values most, pleasure, wealth, power and fame.

"Pehr" is lucky because, having tested all things, he finds that only love and duty are true; that the love of one faithful heart is worth all else. Mr. Strindberg teaches that only when self is forgotten can one really love his fellow men, and only in loving and serving can true happiness be found.

"Y's" to Meet Tonight

The February meeting of the Santa Ana "Y's" will be held tonight at the W. H. Thomas home, 425 West First street. The subject will be "True Patriots." This will include many of the country's great men, such as Washington and Lincoln, and will show how they worked for their country by serving its great needs. Their lives and principles will be applied to present day needs for temperance heroes and service.

A social time will follow, and a good time during both the program and this hour also is expected. All young people of the city are invited to be present.

Ladies' Guild Tea

The Ladies' Guild will hold a social tea on Wednesday afternoon at the home of Mrs. A. N. Reuter, 315 South Main street. All ladies of the church and their friends are invited to be present.

Junior Bible Class

The Junior Bible Class was recently entertained most happily by Mrs. Emory Ratcliffe and Mrs. W. S. Decker at their apartments, which for the afternoon were opened into one, at the Kaiser House. Progressive Proverbs were played, Geo. C. Roy and Mrs. Neff winning laurels in the contest.

An able paper on "The Evils of the Day" was given by Prof. C. H. Stearns, the paper being one that impressed itself on every hearer. After the diversions, which were supplemented of course by conversation on the topics of the day, coffee and doughnuts were served.

German Club Went Shopping

The German Club of the High School held its regular meeting on Friday afternoon, at which time the club rendered a playlet, "Rede Stele Die Varhelt." The following constituted the cast: Miss Orrie Forgers, Miss Alma Falk, Raymond Adkinson, Harold Holzgrafe, Alfred Catland.

A fine exercise for the development of the German-speaking efficiency of the class was a shopping test, each student after having been furnished with fifty marks, being required to ask for the wares wished. Not only was the shopping trip to the little German store beneficial in a study way, but it was enjoyable. Chocolate eclairs were served as refreshments after the shopping trip.

P-T. Birthday Party

The regular Spurgeon Parent-Teacher Association meeting will be held on Tuesday, Feb. 3, at 3:30 p.m. It will be a birthday party in honor of the many famous men whose birthdays are in this month. Each mother is requested to wear or carry something by which it may be guessed the month of her birthday.

A program of unusual interest has been prepared and it is hoped there will be a large attendance at this meeting.

Mrs. Inman Teaching Here

The many friends of Mrs. Alice Scott Inman, formerly of this city, will be pleased to know that in a measure she is identifying herself with this city once more. Mrs. Inman, who had been in Wisconsin for several years, is now in Los Angeles, where she arrived last October, since when she has been getting well from a troublesome sickness of some months. She is now quite well and has opened a class of voice and piano music in Santa Ana, coming down for two days in the week. She makes headquarters when here at the Rutgers.

Lincoln School Entertainment

The pupils of Lincoln school will give an entertainment for the benefit of the Parent-Teacher Association of that school on Friday, Feb. 6, at 2:30 p.m. Quite an interesting program is being prepared, each class furnishing one number. A small admission will be charged. The full program will be published later.

Reception for Pastor

There will be a reception tonight at the United Presbyterian church at 8 o'clock, in honor of Rev. J. C. Kennedy, the new pastor of the church.

SIXTIETH ANNIVERSARY

Rev. and Mrs. Wilhite Observe Eventful Occasion at Home of Eldest Daughter

To survive the hardships of crossing the plains to reach California in 1857, as well as the hardships of frontier life following, and then to celebrate their sixtieth wedding anniversary in health and enjoyment of life in 1914 is the unusual achievement of Rev. and Mrs. W. L. Wilhite of 1111 Hickey street. Yesterday, they were the guests of their oldest daughter, Mrs. J. C. Hartman, of 4129 North Griffin avenue, Los Angeles, where the marriage anniversary was properly observed with thirty-three relatives present at the celebration.

Mr. Wilhite was born in Belvoir, Tenn., in 1834, and Mrs. Wilhite in Keetsville, Mo., in 1829. They crossed the plains in 1857 and endured many hardships and struggles. They made their home in the northern part of this state until 1873. Since then they have resided in Santa Ana. Eight of their ten children are living—also thirty-five grandchildren and four great-grandchildren.

Mr. Wilhite is the only living charter member of the Masonic order in Santa Ana. The children are Mrs. J. C. Hartman, Mrs. G. A. Roeben, Mrs. L. M. Ebright, Mrs. G. Axelsson of Los Angeles, W. L. Wilhite of Elsinore, S. C. Wilhite of San Pedro, Mrs. C. A. Hamaker of Santa Ana, and Mrs. C. W. Harthorn of Fillmore, Ventura county.

Woman's Club Meeting

The Woman's Club will meet tomorrow afternoon at 2:30 o'clock at the home of the president, Mrs. B. Wiley. Responses to roll call will be sayings of children and there will be two subjects: "Legislation" and "Merits of Moving Pictures." A good attendance is urged.

Birthday Party

Sarah Sebastian was hostess to a few of her friends Saturday from 2 to 5. The time was pleasantly spent in music and games, after which home-made cakes and candies were served by Mrs. Sebastian, assisted by her daughter, Miss Lela. The large birthday cake was the center of attraction with eleven candles, to represent the age of the honoree, who was the recipient of many gifts.

When the hour of departure came Miss Lela took the little folks out in the Sebastian machine for a joyride, which they greatly enjoyed.

Those present were Sarah Sebastian, Margaret Overman, Gladys Williams, Mary Ashley, Grace Garrett, Grace Morris, Martha Koller, Leatha Carpenter, Glenna Jean Hill, Beatrice Siefert, Marie McNaught, Harold Mathews, Leslie Leckett.

Philharmonic Rehearsal

The regular rehearsal of the Philharmonic Society will be held at Harry Garstang's tomorrow evening at 7:30. Mr. Revill requests as full an attendance as possible. It is hoped that the work, "Hiawatha" will be ready for production by the end of March.

Church Tea Tomorrow

A tea will be given by the Woman's Home Missionary Society of the South Methodist church Tuesday afternoon, Feb. 3. Mrs. A. N. Zerman will be the hostess for this occasion at her home, 505 South Sycamore street. All members and friends will be welcomed by her. A free will offering will be taken to further the local work of the society.

Recital Tomorrow Night

Miss Virginia Johnston announces that the pupils' recital recently postponed will take place tomorrow night at her music studio, 117½ East Fourth street. Miss Johnston is presenting her piano pupils at this recital and will be pleased to see the friends of the students present.

Slumber Party for Visitors

Miss Linna Yarnell was hostess at a jolly slumber party given Saturday night in honor of her two house guests, Miss Genevieve Schuerer and Miss Avas Conney of Los Angeles, who came down from the city last Friday afternoon for a weekend visit.

The little party of Saturday evening was a merry one, the charming bery of girls enjoying each other's society to the utmost. They chatted, there were snatches of music, with more chatting. And so the hours flew by with gay jest and laughter and song, until the girls said their good nights to each other and closed their eyes for the proverbial "forty winks of sleep" that was about the sum total of their slumbers before the breakfast hour on Sunday morning.

Besides the hostess and her house guests, the girls in the party were: Misses Violet and Dorothy Twist, Dixie Perkins, Irene Smith Varlen Cravath.

Students' Recital

One of the most successful monthly recitals of the piano students of Madame G. F. Andrist took place on Saturday afternoon at the home of Mr. and Mrs. J. W. Shields on West Fourth street.

The spacious parlor was beautifully

Vandermaast & Son

fully decorated with smilax, ferns and flowers for the occasion and Mrs. Shields had a sweet smile for every body, making the guests feel quite at home who had come to listen to the excellent program. The latter, well prepared, consisted of piano solos, duets, songs and violin solos beautifully rendered. All the students showed a remarkable improvement in expression, good understanding of their work and keeping perfect time.

Those taking part in the program were as follows: Myrtle Law, Berta Miller, Bessie Kirk, Donna Thornton, Catherine Jasper, Otha Shields, Adah Squires, Isabelle Boyd, Emma Itah, Bernadine Clark, Nelda Mechander, Eunice Stockton, Agnes Gisher, Mary Hueller, Ruth Cope, Ruth Tavis, Lola Smith, Kenneth Horton, Ivan Hipper, Harold Beckman, Howard Lutz.

After the enjoyable program the parents and friends were treated to delicious refreshments served by Jutha Shields, Fay Titus and Blanche Hill.

They will return to Los Angeles tomorrow.

Miss Anna O'Donnell has returned from a vacation of three weeks spent at Glendale.

S. E. Geren, who has been spending the winter with relatives in Santa Ana and Hansen, left today for his home at Miltonville, Kansas, leaving Mrs. Geren for a longer visit, with their children. The Gerenes are much pleased with this section and it is probable they will make their home here if Mr. Geren can arrange his business in Kansas to that end.

Mr. and Mrs. O. Nevil of Esterville, Iowa, who are on their fourth trip to California with headquarters at Los Angeles, came down Saturday for a week-end visit with Mr. and Mrs. D. F. Bartlett of North Broadway and west Eighteenth street. Yesterday the Bartletts and Nevils dined with Mr. and Mrs. J. W. Elliot of North Main street, who are old friends of the Nevils.

Mrs. D. N. Kelly, who was recently taken to the Santa Ana hospital for an operation, is reported as getting along very nicely there. Her friends will be glad to hear of her improvement.

Lecture at Orange

On Tuesday evening, Feb. 3, a stereopticon lecture will be held in the Orange Presbyterian church at 7:30 p.m. This lecture will be on the "Floating Work" at San Pedro and San Diego. The speakers will be John Makins of San Pedro and J. H. Walker of San Diego.

Management Changes.

The Los Alamitos Sugar Company has sent out circulars announcing that Henry C. Lee has been appointed manager of the company and E. C. Hamilton superintendent in the place of H. C. Lawrence, resigned.

BROTHERHOOD DANCE

The Fraternal Brotherhood will be one of the many "come backs" and give another of their popular dances Thursday evening, Feb. 5, at the Moose Hall on East Fourth street. There will be a good time for everybody, with good music. Admission 50 cents a couple.

Mell Smith, the Watchmaker, has moved to 304 Main street.

DIED

READ—In Santa Ana, Saturday, Jan. 31, 1914, Miss Roxanna Read, aged 72 years, at the home of her brother, C. R. Read, of 402 South Birch street.

Funeral services held Monday, Feb. 2, 1914, at 2 o'clock, from the residence, after which the body will be taken to Smith's chapel and sent to Los Angeles for cremation.

SKINNER—In Santa Ana, Sunday, Feb. 1, 1914, Mrs. Eliza A. Skinner, aged 70 years, at the home of her daughter, Mrs. H. G. Hui, North Main street.

The body is being prepared for shipment to Nunda, New York, by Mills & Winbiger. Mrs. Hui will accompany the body east.

Funeral service will be held here, Tuesday, Feb. 3, 1914, at 3 p.m., from the residence on North Main street. Rev. Otto Russell of the First Baptist church will have charge of the services.

BORN

VANDERLIP—In Santa Ana, Monday, Feb. 2, 1914, to Mr. and Mrs. Edgar Vanderlip of 625 South Sycamore street, a son.

MRS. ROBERT GOELET, LEADER IN "FOUR HUNDRED," BRINGS SUIT FOR DIVORCE AGAINST MILLIONAIRE

Mrs. Robert Goelet, one of a family which has been famous in New York and Philadelphia society for two generations, to say nothing of attempts to break into the most exclusive French society, has stirred people of these circles by beginning suit for divorce against her husband. Thus comes to light differences which, it is said, members of their sets knew all about for more than a year. Should the case be tried in public—however, they seldom do things like that in Newport, where the suit was filed—it will draw large audiences.

Goelet is the son of Ogden Goelet, who left him \$30,000,000 in New York real estate. The grandfather was Peter Goelet, who had \$60,000,000 for his several sons when he died.

The sister of the young man is the Duchess of Roxburghe, who took about \$50,000,000 to Great Britain when she married into the nobility there.

Mrs. Goelet was the daughter of Henry Whelen, prominent socially and financially in Philadelphia. She is less than thirty years of age, and is said by those persons who have seen her to be very beautiful. The photo here shown is a snapshot of her.

Norman W. Pendleton to SPEAK AT I. S. AUDITORIUM

Norman W. Pendleton, Socialist candidate for congress from the fourth congressional district, will speak at the Intermediate School auditorium, Tuesday, February 3, at 8 p.m.

Mr. Pendleton, who was formerly pastor of the San Francisco People's Center, is one of the most virile and aggressive speakers in the Socialist movement.

He will be joined by J. Stitt Wilson February 10, and together they will make a tour of the entire state, beginning at San Diego. These will be the initial meetings of the campaign upon which the Socialists will enter for the fall elections.

A cordial invitation is extended to all who are interested in sociology to be present and ask questions.

Resumes Schedule

The Pacific Electric has repaired its line at Clearwater, and today the regular schedule for cars on the Santa Ana-Los Angeles line and on the Huntington Beach line was resumed.

NEW WELL BROUGHT IN 800 BARRELS A DAY

Anaheim Plain Dealer: A "wildcat" well, producing about 800 barrels of medium gravity oil, was brought in the first of the week by the Amalgamated Co. on the Hualde lease. The strike was made at a depth of 2400 feet, and it is believed that the well will increase its production within a short time. Drilling of the well was commenced last November, and bringing in the well in so short a time is considered a notable achievement. The big importance attached to the well is that it proves a territory heretofore entirely untouched. The Union Co. owns property adjoining the Hualde lease, and will commence operations in that section in the near future.

BERTRAND WEST IS PRESIDENT OF CLASS

In the election of officers of the freshman class at Stanford University last week, Bertrand West of Santa Ana, son of Superior Judge Z. B. West, was elected president.

Mrs. Witten is Dead

Word was received here yesterday of the death in Los Angeles of Mrs. Emily A. Witten, mother of Mrs. W. A. Moore, formerly of Santa Ana. Mrs. Witten lived with her daughter during the time that Mr. Moore was local manager of the Standard Oil Co. here.

TO TANGO OR NOT TO TANGO. WASHINGTON, Feb. 2.—To tango or not to tango—that is the question which "elite" nonpareil and agate society of Washington was bothered with today. The annual Southern Relief ball, one of the season's biggest and most democratic social functions, will be held tonight. President Taft made a point of always attending those held during his regime, for a short time, and President Wilson has been asked to attend tonight's ball. The Southern Relief Society gives the ball for charity, and society—both the upper crust and the filling—attend in droves. There had been no talk of barring the tango and similar dances, up to today, when it was reported that notices would be posted at all entrances and in all dressing rooms that the "animal dances" would not be permitted. Since it is a public "pay affair," some of those who have bought tickets at \$5 per were reported today as saying that they will "dance what, and as they please, so long as it's decent."

ITALY CREATES NEW ORDER. ROME, Feb. 2.—Italy today formally announced the creation of a new order of knighthood to be conferred for distinguished services upon the native inhabitants of its two new African colonies of Tripoli and Cyrenaica. The order is similar to that established by England in India and France in Algeria as a means of winning the natives over to the support of the new government. Italy's original order of knighthood is known as "The Order of the Crown of Italy" and has a cross for the decorations. This would ordinarily have been the name and symbol of the new order for the colonies. However, as the cross is also the symbol of Christianity the new colonial order will be known as "The Order of the Star of Italy" in order not to grate upon the religious sensibilities of the Mohammedan recipients.

KILBANE VS. EDDIE MOY. PHILADELPHIA, Feb. 2.—Johnny Kilbane, featherweight champion, meets Eddie Moy of Pennsylvania here tonight at the Olympia A. A. in a scheduled six-round bout. Kilbane knocked Moy out a few weeks ago at the same club, in the fourth round. Moy claimed he was given another try to knock the featherweight crown from Kilbane's brow. The title-holder is expected to win.

For best watch and clock repairing see Mel Smith, 304 Main street.

FOREST NOTES

There are 36,500,000 young trees in the government's forest nurseries.

Two tons of cascara bark have just been sold from the Siuslaw national forest, Oregon, at one cent a pound.

The northernmost national forest is the Chugach in Alaska; the southernmost is the Luquillo in Porto Rico.

For shingles alone, 750 million feet of lumber is cut in that part of the state of Washington which lies west of the Cascades.

California led last year in timber sold from national forests, though Montana had the largest number of sale transactions.

The American Forestry Association has just elected Henry S. Drinker, president of Lehigh University, and P. S. Ridsdale, as its president and secretary, respectively.

The biological survey and the forest service have been co-operating in the extermination of ground squirrels on national forests in California. The annual loss of range feed and grain crops from ground squirrels is enormous.

ANNOUNCEMENT

—Dr. J. W. Shaul will be in his Los Angeles office forenoon; Santa Ana office, 2 to 5 p. m., and by appointment.

A Winter Cough

A stubborn, annoying, depressing cough hangs on, racks the body, weakens the lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief. Henry D. Sanders, of Cavendish, Vt., was threatened with consumption, after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds, lung trouble. Good for children's coughs. Money back if not satisfied. Price 50c. and \$1.00. At all druggists. H. D. Sanders & Co., Philadelphia or St. Louis—Advertisement."

ORDINANCE NO. 107.

"An Ordinance for the Police Regulations of Public Pool and Billiard Rooms."

The Board of Supervisors of the County of Orange do ordain as follows:

Section I. It is hereby declared unlawful for any person, in charge of any public pool or billiard room, or place, open to the public, where pool or billiards is played, to allow or permit the same to be or remain open between the hours of 11 o'clock p. m. of any day and 6 o'clock a. m. of the succeeding day, or allow or permit any person to play or remain therein during said period.

Section II. Nothing in this Ordinance shall prohibit the owner or person in charge of any such pool or billiard room from being or remaining in such pool or billiard room during the period specified in Section I of this Ordinance.

Section III. No person in charge of any public pool or billiard room, or place, open to the public, where pool or billiards is played, shall allow or permit any minor under the age of 21 years to play or remain in, enter, or visit such room or place.

Section IV. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding five hundred (\$500) dollars, or by imprisonment in the county jail not exceeding six months or by both such fine and imprisonment.

Section V. All Ordinances and amendments thereof, heretofore passed, which are in conflict with this Ordinance are hereby repealed.

Section VI. This Ordinance shall take effect fifteen days after its passage, and before the expiration of said fifteen days shall be published with the names of the members voting for and against the same, for at least one week, in the Santa Ana Daily Evening Register, a newspaper of general circulation published in the County of Orange.

Enacted by the chairman of said Board of Supervisors, this 27th day of January, 1914.

T. B. TALBERT, Chairman of the Board of Supervisors of the County of Orange.

And tested by the Clerk of said Board, this 27th day of January, 1914.

(Seal) W. B. WILLIAMS, County Clerk and Ex-officio Clerk of the Board of Supervisors.

State of California, County of Orange, ss. I, W. B. Williams, County Clerk of the County of Orange, State of California, and ex-officio Clerk of the Board of Supervisors thereof, do hereby certify that at the regular meeting of the Board of Supervisors of Orange County held on the 27th day of January, 1914, at which meeting there were present Supervisors, H. T. W. Schumacher, Fred W. Struck, Jasper Leek and the Clerk, the foregoing ordinance consisting of sections one, two, three, four, five, six and each section separately considered, and the said ordinance was thereupon then passed and adopted as a whole by the following vote, to-wit:

Ayes, Supervisors, Leek, Smith, Schumacher, Struck and Talbert.
Nays, None.
In witness whereof, I have hereunto set my hand and affixed the seal of the Board of Supervisors of said County of Orange, this 27th day of January, 1914.

(Seal) W. B. WILLIAMS, County Clerk and Ex-officio Clerk of the Board of Supervisors.

NOTICE TO VOTERS

The Great Register of Orange County for the year 1914, as well as every other county in the State of California, is now being compiled. All voters who expect to participate in the general election to be held in November, 1914, and in the primary election to be held in August, 1914, must register. Registration closes for the primary election on July 25, 1914, and for the general state election on October 3, 1914.

W. B. WILLIAMS, County Clerk.

ADMINISTRATRIX'S SALE AT PUBLIC AUCTION

The Administratrix of the Estate of Hugh McDonald, deceased, will offer for sale, at public auction, on Tuesday, February 10th, 1914, at 10 o'clock a. m., at the Hugh McDonald home camp on the Trabuco Road on the Irvine Ranch, two miles east of the Fred Culver place, the following personal property:

One team buckskin driving horses, harness and spring wagon.
One milk cow.
One 3-wagon with flat rack.

Property sold to close estate, under order of Court. Terms cash to comply with order.

Anyone interested in purchasing outfit can phone administratrix, Home phone 3851 for further information.

BESSIE McDONALD, Administratrix of the Estate of Hugh McDonald, deceased.

NOTICE FOR PUBLICATION OF TIME FOR PROVING WILL, ETC.

In the Superior Court of the County of Orange, State of California.

In the Matter of the Estate of Laura Johnston, deceased.

Notice is hereby given that Friday, the 6th day of February, 1914, at 10 o'clock a. m. of said day, at the Court Room of Department No. 1 of this Court, in the City of Santa Ana, County of Orange, State of California, has been appointed as the time and place for hearing the application of W. Dean Johnston and George W. Tighe praying that a decedent now on file in this Court, purporting to be the last Will and Testament of the said decedent, be admitted to probate, that Letters Testamentary be issued thereon to W. Dean Johnston at which time and place all persons interested therein may appear and contest the same.

Dated January 28, 1914.
W. B. WILLIAMS, County Clerk.

GREATEST WELL IN HISTORY OF STATE

Soon Total Production of Gusher Will Be 1,000,000 Barrels

HAS BIRCH WELL FAR IN THE REAR

Standard's Producer on Lease at Buena Park is a Marvel

A Los Angeles Times oil writer says that the vast unsuspected wealth which has been brought to light in Fullerton oil field by the Standard Oil Company in its No. 7 on the Emery lease, is proving one of the greatest marvels in the history of the oil industry of California. The great gusher has now been producing for three months at the rate of nearly 10,000 barrels per day. The oil is a very valuable product, high in gravity, and therefore admirably adapted for profitable refining.

Soon the production of the gusher will total 1,000,000 barrels, enough to fill a lake covering over three acres to a depth of five feet. The value of this product at the field price will be over \$800,000. However, it is believed that the Standard in refining the oil is able to obtain net returns of at least \$3 a barrel, so that the output of the well is now worth nearly \$3,000,000 in the aggregate.

Since the well commenced producing, the company, to take care of the growing output from its properties, has undertaken to spend some \$200,000 on an eight-inch pipe line from Northam, in Fullerton field, to El Segundo, and has also made large expenditures on the building of tanks to store the oil both in the field and at the refinery at El Segundo. Of course, these are to be considered as permanent improvements, and have really nothing to do with the output of the well itself, as far as cost is concerned. However, even regarding the expenditures as defrayed by the new gusher, a surplus of nearly \$2,000,000 would be left as clear profit from the well.

There are few wells in the state which have even approximated the record of the great Emery producer. The famous Birch gusher in Brea Canyon, Fullerton field, considered the most profitable oil well in California.

Job Carpenter Work Wanted

I do any kind of carpenter or cabinet work, new work or repairs. ALTERATIONS, REPAIRS, BUILT IN CABINET WORK, FURNITURE REPAIRING, ETC. I have a general repair shop, or will do work at your home. Phone calls answered promptly. GEO. R. WEST, 115 West Fifth St. Sunset Phone 292W.

fortia, has yielded about 2,000,000 barrels of oil, a great deal of which sold at close to \$1 a barrel, but it has taken the well nearly three years to produce this amount.

The Lakeview gusher was a sensational producer and yielded tremendous quantities of oil, but was comparatively short-lived, while the Emery well gives every indication of comparative permanence. There have been other wells in the state at various times that have had highly spectacular careers, but in most instances they ceased producing with the suddenness with which they began, and were rarely if ever revived.

The flow from the Emery well is steady, and common troubles, such as sanding up, are unknown in this section of the Fullerton field. The character of the territory in which the Standard gusher is located can best be compared, in its general features, with the district in Mexico where the famous gusher of the Mexican Petroleum Company, Casiano No. 7, is situated. The latter has been flowing for over three years at an average rate of about 22,500 barrels a day, and has shown little falling off in production during that period.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-Time Sage Tea and Sulphur and Nobody Will Know

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.—Advertisement.

PROVING MULE WAS VICIOUS

Sid Smithwick's Suit for Damages is Being Heard Here Today

Today Judge Thomas is hearing evidence in the action brought by Sid Smithwick against Jerome Bros., one of whom, Ben Jerome, is Smithwick's brother-in-law. While Jerome Bros. appear as defendants the real defendants are the Massachusetts Indemnity and Bonding Co. Jerome Bros. had all their employees on their ranch property insured under that company. The company declined to pay Smithwick's claim, and he had to sue to establish the amount due him. He is asking for \$2000.

Smithwick was hauling hay when a mule borrowed from the Le Bar lease slammed Smithwick in the leg and shattered the bone. Andrew Le Bar testified that the mule was some kick. In fact, he had kicked Le Bar twice, and he ought to know.

Asking for Road T. E. Niles and others of Garden Grove have petitioned the Board of Supervisors to establish a county road at Garden Grove between Acacia street and Euclid avenue.

To Change Boundary Residents of Centralia school district have petitioned the supervisors for an order transferring a portion of Centralia district to Cypress district.

Sent to Prison Paulito Munos, an Anaheim Mexican, was today sentenced to San Quentin for five years upon conviction of an infamous crime.

The trial of Joe Carrisosa was continued to Feb. 16. Carrisosa is charged with selling liquor at Myford. His case has been postponed from time to time on account of the fact that Carrisosa is very ill at Anaheim and not expected ever to be able to get out of bed again.

Suit on Contract S. V. Innes has brought suit on specific performance against J. H. Constantine and Tierra Grande Development Co. The defendants own lot 16, block K, Kraemer tract, Placentia, and through an agent, Carrie A. Lovell, agreed to sell the property to Innes for \$500 an acre. Constantine refuses to make a deed. The plaintiff asks the court to compel the deed to be given and to allow the plaintiff \$1500 damages. Leonard Evans is attorney for the plaintiff.

Asks a License Andy Lasswell of Orange has applied to the supervisors for a fumigator's license.

DUANE IS BACK ACKNOWLEDGED HEIR

He Will Get the Lee Estate As Soon as it is Settled Up

W. D. Duane was in Santa Ana yesterday from Los Angeles, having returned from Chicago, where he established his heirship to William Henry Lee, the publisher. At the time Duane started east several weeks ago he moved his family to Los Angeles from Santa Ana.

Lee died last June, and at that time his friends knew of no heir. Duane proved to the satisfaction of the court that Lee was his cousin, Henry Lee Duane, who went to Chicago about 1886 and changed his name to William Henry Lee.

It will take some time yet before the estate is settled up. When it is settled, the remainder will go to Duane, who will be quite comfortably fixed thereby.

STOLEN AUTO IS RECOVERED

Engine Number Filed Off—P. T. Adams, Owner, Identifies It

A Studebaker automobile stolen from in front of Elks Hall last April has been recovered through a description sent out at the time by City Marshal Jernigan. The machine belongs to P. T. Adams and Hugh Plumb of Tustin. Circulars were sent broadcast immediately following the theft, but without result until last week.

A short time ago a man named F. D. Mitchell was arrested in Los Angeles on a charge of stealing automobile parts from his employer. In his possession was a Studebaker automobile. An examination showed that the engine number has been partly filed off. In looking over the reports, the Los Angeles officers found the Santa Ana circular, and concluded that the machine must be the one reported stolen here.

Saturday Jernigan, Adams and Plumb went to Los Angeles and completely identified the machine. Today Jernigan went to Los Angeles to bring the automobile here.

The young man who had the machine worked at a place dealing in automobile parts. He told the people there that the machine was given to him by his father. A number of new parts had been added to the machine, and it was in as good condition as when it was stolen.

MOTORCYCLE COPS OUT OF SERVICE TONIGHT

Tonight at 6 o'clock the employment of motorcycle officers by the city will end, and Motorcycle Officers Dave and Ballard will retire from the office. Under the new state law the fines go to the county, and the city declines to hire officers on that condition.

To Cure a Cold in One Day Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

MONEY ORDER BILL LAW MONTH AFTER SIGNED

WASHINGTON, Feb. 2.—It will be a month or more after President Wilson signs the bill, which has passed congress, providing that postoffice money orders may be paid at any money order office, before it can be put into operation. Officials believe the new system will almost double the volume of money order business, which now yields a net income of more than \$5,000,000 annually to the government.

TOWER OF SILOAM BASE DISCOVERED BY REV. DR. KELLER

CAMBRIDGE, Mass., Feb. 2.—News of the finding of the foundations of the Tower of Siloam was received by the Rev. Dr. Keller of the Episcopal Theological School, from a friend in Jerusalem, yesterday. This tower is mentioned in Luke XII, 4: "Those eighteen upon whom the tower in Siloam fell and slew them, think ye that they were sinners above all men that dwell in Jerusalem?"

The excavators, according to the message, "have discovered a long, well-cut Greek inscription which speaks of the presbyters and fathers with Simonides, laying the foundation of the synagogue, the baths and caravansary. These baths and the foundations of the synagogue are exposed. They have found the base of a circular building, the Tower of Siloam, and a conduit leading from the spring. The conduit seen by Schenck in the excavations wrongly thought to have been the place, is now shown to be above the spring."

SCIENCE PROVES THEIR VOICES ARE IDENTICAL

Marie and Mary McFarland, long a mystery of the stage, have just cast doubt on the value of a scientific instrument, which was expected to accomplish wonders in the detection of crime. The acoustigraph, a remarkable invention of Luigi Peruggi, an Italian scientist, to catch the shades of the human voice, and thereby keep a record of criminals, superlative even to the thumb print, did not record a difference in their voices, if there is one.

These young women, the daughters of Austin McFarland, an official of the Denver & Rio Grande railroad, made the test in Los Angeles. They look alike, and of course dress alike. Both have coloratura soprano voices so much alike that vaudeville audiences can't distinguish them. It is impossible for the audience to tell when one stops and the other begins singing.

CONFUCIONISM PRESCRIBED FOR CHINA BY YUAN SHI KAI

PEKIN, China, Feb. 2.—A bill by the president of the Chinese republic prescribing the worship of heaven and of Confucius was passed recently by the Administrative Council, which took the place of the Chinese Parliament, recently dissolved by President Yuan Shi Kai. The message was submitted to the Council by Yuan Shi Kai himself.

It is understood that the president's idea is to set an example for the Chinese nation, which he thinks needs the moral building influence of religion.

The president will worship at the Temple of Confucius, and at the Temple of Heaven annually, in the same way as the Manchou emperors did, but without wearing the diadem. The diadem was proposed, but was not adopted, owing to criticism that it would be taken as another indication of Yuan Shi Kai's monarchial designs. The question of the introduction of a state religion has created considerable controversy in China, the Christian missionaries of all sects opposing such a step.

The constitution adopted by the Chinese parliament made no provision for any state religion, but for some months a Confucian revival movement has been in evidence.

A league was formed by representatives in China, not only of Christianity, but of Mohammedanism, Taoism and Buddhism, to oppose the adoption of a state religion.

As was contemplated when Yuan Shi Kai dissolved parliament, the administrative council formed in its place, consisting of two representatives from each province, four cabinet ministers, a representative from each ministry and eight members of the presidential secretariat, adopts all the measures proposed by President Yuan Shi Kai, who exercises practically entire control.

AT ONCE! CLOGGED NOSTRILS OPEN, HEAD COLDS AND CATARRH VANISH

Breathe Freely! Clears Stuffed-up, Inflamed Nose and Head and Stops Catarrhal Discharge. Cures Dull Headache.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dripping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

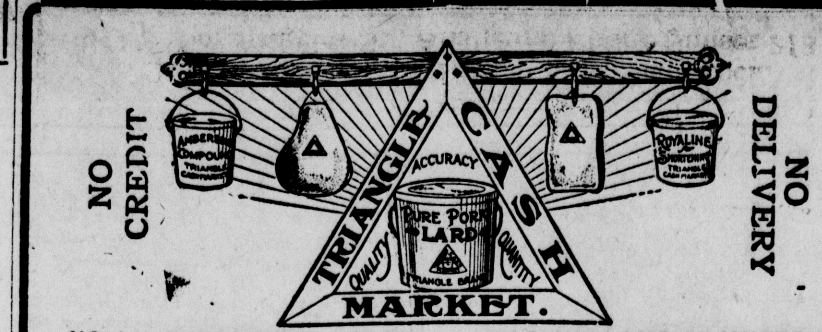

COLLINS WELL HAS A SHOWING OF OIL PROMISING RESULTS

Newport News: There is quite a showing of oil in the Collins oil well near the upper bay, enough in fact to almost assure a profitable well if no more oil is obtained. It will be only just if the first producing well is brought in by W. S. Collins, as he has had the nerve to stay with the oil business here when others became discouraged and quit. He has sunk many thousands of dollars in the different wells but it now appears that he will be able to get his outlay back.

Salvatore Ganno, an Italian fisherman, made the queerest catch in the history of the beach, Monday. Ganno had his net set at the lower part of the bay and when he took it up he found besides a number of fish a box of dynamite. The explosive came from Orange, where a magazine belonging to the Kogler Hardware Co. was washed down the Santa Ana river by the flood.

Today is the last day of the duck season and there are but few regrets among local hunters, as the season has been the poorest ever seen here. Even on the preserves the shooting has been poor lately on account of the fact that there is so much water that the ducks are scattering all over the country.

We are showing a very large line of Burgalow Nets, the popular thing for curtains, White or ecru, in all widths. Horton-Spurgeon Furniture Co.
